

Dear Sir /Madam

### **Application for Election or Transfer to MIIOM Grade**

Thank you for your interest in applying for election or transfer to individual membership of the International Institute of Obsolescence Management with the post nominal letters MIIOM.

Please complete this form to begin the application process. Be assured that the information you provide here is for the IOM Professional Standards and Membership Committee only and will be treated as strictly confidential. Should it become necessary to share your information more widely, for example during any appeal against the Committee's decision, you will first be asked to confirm your agreement.

In Part A give personal and employment details including your preference for staying in touch with IOM about your application.

In Part B please provide details of your education. The Committee will need to see evidence of educational attainments, e.g., certificates, either as scanned files in PDF format or paper copies. Do not send original certificates.

If you do not have an educational qualification at degree level this will not necessarily prevent a successful application. However, all MIIOM applicants are expected to provide information in Parts C and D that demonstrates responsibilities and achievements commensurate with those of a graduate with two to three years' professional employment within industry or academia.

In Part E give contact information for up to two supporters who are willing to support your application by confirming the information you gave in Parts C and D.

In Part F confirm your declarations by signing and dating the form.

Please return the form by email to [admin@iiom.global](mailto:admin@iiom.global) or by post to
